- Company's Web Address (URL):
 - Is this domain secured by your company?:
- What is your company about?:
- Do you have a set deadline for this project? If so, please let us know when you would like this project to be done by:
 - Is there a start date? If so, please provide:

The Audience

- Who do you believe is your target audience?
- What do you imagine people using your site for? What will they want to do there?
- Outline any ideas for features you would like on your site.

The Design

- What kind of personality would you like your site to portray?
- Have you seen any sites recently that you've liked the visual design of? What did you like about it?

Please e-mail to staff@ohlovedesigns.com when completed.

- Any specific images you would like to use in your design?
- Any specific colors you would like to use in your design?

Additional Comments
